The screenshot displays the Aurasma Studio web interface. At the top, the navigation bar includes the Aurasma Studio logo, menu items for DISCOVER, ASSETS, and MY AURAS, and user options like 'welcome, cycar', 'My Account', 'Help', and 'Log Out'. A prominent '+ Create New Aura' button is highlighted with a blue circle and a mouse cursor. Below the navigation bar is a purple search bar with the text 'Explore Auras' and a search icon. The main content area is divided into several sections: a 'Featured' section with a 'SEE MORE' link, a 'Popular' section with a 'SEE MORE' link, and a 'Newest' section with a 'SEE MORE' link. Each section contains a grid of Aura cards, each featuring a thumbnail image and a title. The cards include 'Back to the future: Universal 100', 'WILLS Proper British Summer YOUR FUN GUIDE 2014', '015514Aura (cop... Aurasma Mark...', '0513 - Kelly Osb... AM - Kelly Osbo...', '1- AMC TEMPLA... AMC Theatres', '10 Pound Note -...', and 'AMERICAN HUSTLE'. On the left side, there is a sidebar with a user profile for 'cycar Starter Subscription' and a 'BROWSE' button. Below the profile is a 'Popular Hashtags' list with various tags and their respective counts. At the bottom of the sidebar, there is a purple promotional banner that reads 'Take your Auras to the next level. Upgrade to a Pro Account. Upgrade Now'.

The screenshot displays the Aurasma Studio web interface. At the top, there is a navigation bar with the Aurasma logo, the text "Aurasma Studio", and links for "DISCOVER", "ASSETS", and "MY AURAS". On the right side of the top bar, there are links for "welcome, cycar", "My Account", "Help", and "Log Out", along with a "Create New Aura" button. Below the navigation bar, a progress indicator shows three steps: "STEP ONE Upload Trigger", "STEP TWO Create Overlays", and "STEP THREE Finalize Aura". To the right of the progress indicator are buttons for "Cancel", "Back", "Next", "Preview", "Save", and "Share".

The main workspace features a 3D scene of a colorful, futuristic interior with a large blue robot-like object in the center. A purple bounding box is overlaid on the scene, indicating a selected area. Above the scene, there are buttons for "Hide All", "Show All", "Collapse All", and "Expand All". To the right of the scene is a control panel for "Overlay 1". This panel includes a large plus sign icon with the text "Click to Upload Overlay Or Click to Select Existing". Below this, there is a section for "Overlay 1" with a thumbnail, a name "tyes1", and options for "Update Change", "Initially hidden", and "Fade in". An "Add Actions" button is also present.

At the bottom of the interface is a toolbar with icons for "ADD LOCK VIEW", "PREVIEW", "STOP", "3D VIEW", "UNDO CHANGES", "RESIZE", "MOVE", "100%", "ZOOM IN", and "ZOOM OUT". Below the toolbar, there are two dropdown menus showing file names "tyes2.jpg" and "tyes1.jpg". In the bottom right corner, there is a download icon and the text "顯示所有下載...".

The screenshot displays the Aurasma Studio web interface. At the top right, there is a navigation bar with the text "welcome, cycar" and links for "My Account", "Help", and "Log Out". Below this, the main header includes "Aurasma Studio" on the left, and "DISCOVER", "ASSETS", and "MY AURAS" in the center, with a "+ Create New Aura" button on the right. A progress bar below the header shows three steps: "STEP ONE Upload Trigger", "STEP TWO Create Overlays", and "STEP THREE Finalize Aura". A row of buttons includes "Cancel", "Back", "Next", "Preview", "Save" (highlighted with a blue circle and a mouse cursor), and "Share".

The main workspace features a large 360-degree panoramic view of a room with a blue, futuristic-looking object in the center. A smaller, zoomed-in view of this object is shown in the bottom right corner. On the right side, there is a panel for managing overlays. It starts with a large plus sign and the text "Click to Upload Overlay Or Click to Select Existing". Below this, "Overlay 1" is listed with a thumbnail, a visibility toggle (eye icon), a close button (X icon), and a green square. It also has a "Fade in" checkbox which is checked, and an "Add Actions" link. "Overlay 2" is partially visible below it. At the top of this panel are buttons for "Hide All", "Show All", "Collapse All", and "Expand All".

At the bottom of the interface is a toolbar with icons for "ADD LOCK VIEW", "PREVIEW", "STOP", "3D VIEW", "UNDO CHANGES", "RESIZE", "MOVE", "100%", "ZOOM IN", and "ZOOM OUT". Below the toolbar, there are two dropdown menus showing "tyes2.jpg" and "tyes1.jpg". In the bottom right corner, there is a download icon and the text "顯示所有下載..." with a close button (X).

The main workspace features a large 360-degree panoramic view of a colorful, futuristic interior space. Two rectangular overlays are visible: a larger green-bordered one in the center and a smaller purple-bordered one on the right. Above the main view, there are buttons for "Hide All", "Show All", "Collapse All", and "Expand All".

On the right side, a panel for managing overlays is open. It starts with a large plus sign and the text "Click to Upload Overlay" and "Click to Select Existing". A blue box highlights the "Click to Select Existing" button, with a mouse cursor pointing at it. Below this, a list of overlays is shown, including "Overlay 1" and "types2". Each overlay has a small thumbnail, an eye icon for visibility, and a close icon. The "types2" overlay has a green square next to it, indicating it is selected. Below the list, there are options for "Initially hidden" and "Fade in". At the bottom of the panel, there is an "Action Group 1" section with "Edit" and "Remove" links, and a list of actions: "When Overlay is tapped" followed by "Start an Overlay" and "(2) types1".

At the bottom of the interface, there is a toolbar with icons for "ADD LOCK VIEW", "PREVIEW", "STOP", "3D VIEW", "UNDO CHANGES", "RESIZE", "MOVE", "67%", "ZOOM IN", and "ZOOM OUT". Below the toolbar, there are two dropdown menus showing "types2.jpg" and "types1.jpg". In the bottom right corner, there is a button that says "顯示所有下載..." with a close icon.
